Paul Hollywood is Britain's favourite master baker. His new book is all about bread - how to make it and how to use it. But while it's all very well making a lovely loaf of bread, can you guarantee that it won't be wasted? You know those times when you have a lovely crusty loaf, fresh from the oven, and you have a horrible feeling that after the initial excitement is over, half of it's going to get pushed aside and not eaten...? Well, maybe it's time to bring bread back into mealtimes for real. Not only does Paul teach you exactly how to make a variety of breads, but for each one there is a spin-off recipe that shows you how to make a fantastic meal of it. The book has six chapters, each with five bread recipes - plus the spin-off recipes for main courses. Not only are Paul's recipes delicious but they are also foolproof, with comprehensive step-by-step photographs. Try your hand at a basic white bloomer, which can become a savoury picnic loaf; stilton and bacon rolls, which are excellent served with celery soup; fluffy crumpets, which become the base for eggs Benedict; flatbreads, which are a natural pairing with chickpea masala; ciabatta, which the Italians have traditionally used as a base for tomatoey panzanella; pizza bases, which can become home-made fig, Parma ham and Gorgonzola pizzas; or white chocolate and raspberry bread, which makes for the best summer pudding you've ever tasted. Tying in with the BBC2 television series, Paul Hollywood's Bread is all that you could want from a book and more. Get baking!

TV's Paul Hollywood conveys his love of bread-making in this collection of fantastic recipes. He reveals all the simple techniques you need to make this staple food and shows you that baking bread is far easier than you could possibly have imagined. 100 Great Breads features a wide range of recipes, from a basic brown and white loaf to savoury and sweet, Mediterranean, traditional and ancient breads.

Paul Hollywood puts his signature twist on the traditional classics, with easy-to-follow, foolproof and tantalising recipes for meat and potato pie, pork, apple and cider pie, lamb kidney and rosemary suet pudding, sausage plait and luxury fish pie. He will show you how to create inventive dishes such as chicken and chorizo empanadas, chilli beef cornbread pies and savoury choux buns. If that isn't enough, here you will find his recipe for the Queen of puddings, as well as spiced plum pizza, chocolate volcanoes and apple and Wensleydale pie. There are also regional recipes like Yorkshire curd tart and the Bedfordshire clanger, and a step-by-step guide to all the classic doughs from rich shortcrust to choux pastry.
