and illustrator Joe Shuster created the character of Superman and, after being turned down by several editors, finally published their first comic book featuring the Man of Steel in 1938.

In the early days 20th century the emerging medium of comics was beginning to grab the attention of children and adults alike. Then, in the 1930s, superheroes revolutionised the entire industry and culture as we know it.

Gotham's caped crusader, The Batman, swung into this pantheon of demi-gods in 1939 and secured his place as one of the world's most beloved characters. But do know who created The Dark Knight? Do you know how artist Bob Kane, placed

himself at the secret origins of Batman while his co-creator Bill Finger was forced into the shadows? Do you know how comic creators, journalists, and family members fought to have Finger credited for his work? The first prose book to focus both on Finger and Kane, as well as cast of supporting characters from one of the most exciting times in comic book history, *The Creators of Batman: Bob, Bill and The Dark Knight* gathers everything we know about these two monumental figures and lays their stories side by side. Bringing together the story of these two creators against the exciting background of the American comic's boom and Batman's Golden Age. It looks at how Finger

picture of her younger cousin, Frances. Also in the photo was a group of fairies, fairies that the girls insisted were real. Through a remarkable set of circumstances, that photograph and the ones that followed came to be widely believed as evidence of real fairies. It was not until 1983 that the girls, then late in life, confessed that the Cottingley Fairies were a hoax. Their take is an extraordinary slice of history, from a time when anything in a photograph was assumed to be fact and it was possible to trick an eager public into believing something magical. Exquisitely illustrated with art and the original fairy photographs.
