Federal Taxation Comprehensive Topics is a popular teacher-created combination first and second-level tax course that offers comprehensive one-volume coverage of all the most important tax concepts and principles for a solid grounding in federal taxation. It offers clear and concise explanation of fundamental tax concepts in the framework of today's tax practice. Covering both planning and compliance, the book strikes an effective balance between AICPA model curriculum demands and the favored approaches of the majority of today's top tax teachers. Comprehensive Topics introduces students to the complex and absorbing study of federal taxation, covering a broad range of subjects beginning with basic concepts and individual taxation. Once the fundamentals are covered, tax accounting and the taxation of partnerships and corporations become the focus. The final section of the book presents estate and gift taxation coverage, along with income taxation of trusts and estates. Deferred compensation, education savings, international tax, and state and local taxation are also addressed. Written by top tax teachers from across the country, Federal Taxation: Comprehensive Topics presents materials in straightforward language to improve student comprehension. Emphasis is given to the most important topics that have the greatest real-world impact.

CCH's Federal Tax Study Manual is designed to enhance learning and improve comprehension for students of federal tax. Emphasis is given to the most important topics that have the greatest real-world impact.

The Handbook will provide direction on how to resolve the most common IRS problems for individuals. The first section provides guidance on the most common post-filing actions: contacting and working with the IRS to obtain information and helping tax professionals practice effectively before the IRS. The remaining sections of the Handbook focus on each of the major tax problem categories: audits/underreporter notices, collection issues, penalties, unfiled returns, and spousal issues. The issues in these categories constitute most of the problems for individual taxpayers. The book provides solutions to these problems

CCH's Federal Tax Study Manual is designed to enhance learning and improve comprehension for students of federal tax.
