One person shared this on Indeed and wrote, "The food at the cheesecake factory is amazing and employees were able to eat but have to pay half the amount customers would pay." While some people might say this isn't a big deal and is nothing to complain about, others would probably say that employees should get free food for sure.

A restaurant employee handbook can help make that happen. Consider creating an employee handbook and using it as a tool to train and onboard new staff. Not only does will it assure that you make a professional first impression on new hires, but it also aligns them with your establishment's mission, values, policies, and procedures.
