This is a guide to different types of management training games, from those designed to increase group effectiveness, such as icebreakers, puzzles and communication games, to others for developing organizational awareness or interpersonal skills, such as simulations or role-plays.

'A brilliant book about how we identify the often-charming people who only spread misery.' Jeremy Vine, BBC Radio 2 BMA MEDICAL AWARDS 2020: HIGHLY COMMENDED Some people are so stressful, they can actually make us ill. Gameplayers, bullies, users and abusers - all pose a risk to our health and welfare if we don't take action. This book presents the tools we need to deal with the toxic people in our lives who drain our energy. It explains how to make healthy relationship choices, set proper boundaries and recognize the red flags that should alert us to avoid certain people. Whether you are struggling with a narcissistic partner, or dealing with a bullying boss or a sociopathic colleague, there is practical advice that will help you not only to protect your mental wellbeing but also to thrive. You will understand the nature of the toxic workplace - how to avoid it and if necessary survive within it. If you're surrounded by the takers of this world, read this book and gain the freedom to make your own choices and live your own life.

The first biography of a great television writer and the story of his magnum opus In early 1957, a low-budget black-and-white movie opened across the United States. Consisting of little more than a dozen men arguing in a dingy room, it was a failure at the box office and soon faded from view. Today, 12 Angry Men is acclaimed as a movie classic, revered by the critics, beloved by the public, and widely performed as a stage play, touching audiences around the world. It is also a favorite of the legal profession for its portrayal of ordinary citizens reaching a just verdict and widely taught for its depiction of group dynamics and human relations. Few twentieth-century American dramatic works have had the acclaim and impact of 12 Angry Men. Reginald Rose and the Journey of "12 Angry Men" tells two stories: the life of a great writer and the journey of his most famous work, one that ultimately outshined its author. More than any writer in the Golden Age of Television, Reginald Rose took up vital social issues of the day—from racial prejudice to juvenile delinquency to civil liberties—and made them accessible to a wide audience. His 1960s series, The Defenders, was the finest drama of its age and set the standard for legal dramas. This book brings Reginald Rose's long and successful career, its origins and accomplishments, into view at long last. By placing 12 Angry Men in its historical and social context—the rise of television, the blacklist, and the struggle for civil rights—author Phil Rosenzweig traces the story of this brilliant courtroom drama, beginning with the chance experience that inspired Rose, to its performance on CBS's Westinghouse Studio One in 1954, to the feature film with Henry Fonda. The book describes Sidney Lumet's casting, the sudden death of one actor, and the contribution of cinematographer Boris Kaufman. It explores the various drafts of the drama, with characters modified and scenes added and deleted, with Rose settling on the shattering climax only days before filming began. Drawing on extensive research and brimming with insight, this book casts new light on one of America's great dramas—and about its author, a man of immense talent and courage. Author royalties will be donated equally to the Feerick Center for Social Justice at Fordham Law School and the Justice John Paul Stevens Jury Center at Chicago-Kent College of Law.

Survival situations can and do happen to average people, as well as adventurous explorers. You have the capacity to handle these situations if you know and follow the fundamental principles of survival. Desert Survival Handbook contains the basics to get you started: Prepare yourself for actual emergencies by solving real-life scenarios; Increase your survival odds by knowing how to protect your body; Improve your chances of rescue; Make survival situations easier with a survival kit.

What kinds of management games are there? How do they compare with other methods of learning? Where can I find the most suitable games for the training objectives I have in mind? Handbook of Management Games and Simulations provides detailed answers to these questions and many others.

An "authoritative, comprehensive, well written, and entertaining" guide to staying alive in the desert from a Texas Parks and Wildlife veteran (Library Journal). Remote desert locations, including the Chihuahuan Desert of northern Mexico, southern Texas, New Mexico, and Arizona, draw adventurers of all kinds, from the highly skilled and well prepared to urban cowboys who couldn't lead themselves, much less a horse, to water. David Alloway's goal in this book is to help all of them survive when circumstances beyond their control strand them in the desert environment. In simple, friendly language, enlivened with humor and stories from his own extensive experience, Alloway—a naturalist and search-and-rescue veteran who's worked with the US Air Force on survival skills—here offers a practical, comprehensive handbook for both short-term and long-term survival in the Chihuahuan and other North American deserts.

"This newly-revised and greatly expanded volume aims to provide a readable, real-world roadmap for putting into place the indispensable strategy and tactics managers need to make lean work and move their organizations - whether manufacturing or service-based - toward a world-class production system. Drawing upon decades of experience in the front lines of lean production and organizational transformation, the author provides cases, anecdotes, examples, rationales, and concrete tools to help business leaders stop talking about lean production and actually make progress toward achieving it. It's the perfect resource for leaders at all levels who are interested in improving their competitiveness, building more successful operations, and moving toward world-class performance in customer satisfaction, profitability, and employee satisfaction."--BOOK JACKET.

Explores the relationships among gender, language, and power.
