Economics - Principles, Problems, and  
Policies 16th ...

This is a useful enhancement to  
"Economics 19e" by McConnell, Brue,  
Flynn. Provides a chapter by chapter  
Introduction and outline, but the  
value of the book is in the questions,  
problems and short essays with  
answers. "Economics 19e" covers a lot  
of material very rapidly and the Study  
Guide provides a useful expansion of  
the basic material.
