Finding Alice. by Melody Carlson.

Alice Laxton's life starts to unravel in her senior year of college, and she soon begins a descent into the black hole of mental illness --- a world in which she hears voices and imagines bizarre incidents.

~~Finding Alice | Bookreporter.com~~

Review: Finding Alice - Melody

Carlson-2003 A chilling and

compelling novel which shows us how

schizophrenia can destroy and turn a

person's life upside down within just a

few days. Alice is your normal

perspective of a Christian girl brought

up under the influence of the Salvation

Centre and studying English Literature

at University.
