Inside Gather Comprehensive are the entire contents of Gather-Second Edition plus 230 hymns, psalms, and service music selections designed to be accompanied on the organ. The organ-based material was chosen from the more familiar works written in that musical style, resulting in a hymnal that is ideal for parishes who tend to use more contemporary music, but still enjoy some traditional hymnody.

Hymnals have been authorized for the Episcopal Church by General Convention in 1789, 1826, 1871, 1892, 1916, 1940, and 1982. Only hymn texts were authorized for the first four hymnals. Unauthorized editions of these hymnals with tunes were published privately. The 1916 Hymnal was the first to be published with an authorized musical edition.

American Catholic hymnal

Every Sunday, thousands of Christians lift their voices in song and their spirits in worship using the acclaimed Chalice Hymnal-join them and sing from a brilliant blend of 620 easy-to-sing traditional and contemporary hymns.

While many evangelical congregations have moved away from hymns and hymnals, these were once central fixtures in the evangelical tradition. This book examines the role and importance of hymns in evangelicalism, not only as a part of worship but as tools for theological instruction, as a means to identity formation, and as records of past spiritual experiences of the believing community. Written by knowledgeable church historians, *Wonderful Words of Life* explores the significance of hymn-singing in many dimensions of American Protestant and evangelical life. The book focuses mainly on church life in the United States but also discusses the foundational contributions of Isaac Watts and other British hymn writers, the use of gospel songs in English Canada, and the powerful attraction of African-American gospel music for whites of several religious persuasions. Includes appendixes on the American Protestant Hymn Project and on hymns in Roman Catholic hymnals. Contributors: Susan Wise Bauer Thomas E. Bergler Virginia Lieson Brereton Esther Rothenbusch Crookshank Kevin Kee Richard J. Mouw Mark A. Noll Felicia Piscitelli Robert A. Schneider Rochelle A. Stackhouse Jeffrey VanderWilt

(Fake Book). The Eucharist - Sacrament of Unity sets out the teaching of the Church of England, within the Anglican Communion, on the Eucharist. It discusses the following questions: Why is it so important? How is Christ present? Is the Eucharist a sacrifice in any sense? Why do Anglicans offer eucharistic hospitality to members of other churches and expect to receive it from them? In 1998 the Roman Catholic Bishops of England and Wales, Ireland and Scotland issued *One Bread, One Body* and invited ecumenical responses. In this courteous, but robust reply, the House of Bishops shows that the Church of England upholds the faith of the Church concerning the Eucharist and justifies eucharistic sharing.

Offers an alternate, lower key setting for selected titles from the GIA hymnals: Gather -second edition, Gather Comprehensive, Ritual Song, and the Catholic Community Hymnal.
