In the Food Network star's first book, Giada De Laurentiis helps you put a fabulous Italian dinner on the table

Where To Download

tonight, for friends or just for the kids, with a minimum of fuss and a maximum of flavor. Everyday Italian is true to its title: the fresh, simple recipes are incredibly quick and accessible, and also utterly mouth-watering—perfect for everyday cooking. And the book is focused on the real-

Where To Download

life considerations of what you actually have in your refrigerator and pantry (no mail-order ingredients here) and what you 're in the mood for—whether a simply sauced pasta or a hearty family-friendly roast, these great recipes cover every contingency. So, for example,

Where To Download

you 'll find dishes that you can make solely from pantry ingredients, or those that transform lowly leftovers into exquisite entrées (including brilliant ideas for leftover pasta), and those that satisfy your yearning to have something sweet baking in the oven. There are 7

weeknight, or a baked pasta for potluck. These categories will help you figure out what to cook in an instant, with such choices as fresh-from-the-pantry appetizers, sauceless pastas, everyday roasts, and stuffed vegetables—whatever you 're in the mood for, you 'll

Where To Download

be able to find a simple, delicious recipe for it here.

That 's the beauty of Italian home cooking, and that 's what Giada De Laurentiis offers here—the essential recipes to make a great Italian dinner. Tonight.

"A sweet, sexy read, featuring a couple

Where To Download

that feels both true-to-life and aspirational.” Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place.

Where To Download

But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he 's as hot and funny as her next-door neighbor... Jace Walters has never wanted

Where To Download

much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure,

Where To Download

his American neighbor is distractingly sexy and annoyingly nosy, but she ' ll be gone in a few months... Except now she ' s determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why

It has become common knowledge that childhood obesity rates are increasing every year. But the rates continue to rise. And between busy work schedules and the inconvenient truth that kids simply refuse to eat vegetables and other healthy foods, how

Where To Download

can average parents ensure their kids are getting the proper nutrition and avoiding bad eating habits? As a mother of three, Jessica Seinfeld can speak for all parents who struggle to feed their kids right and deal nightly with dinnertime fiascos. As she wages a personal

Where To Download

war against sugars, packaged foods, and other nutritional saboteurs, she offers appetizing alternatives for parents who find themselves succumbing to the fastest and easiest (and least healthy) choices available to them. Her modus operandi? Her book is

Where To Download

filled with traditional recipes that kids love, except they're stealthily packed with veggies hidden in them so kids don't even know! With the help of a nutritionist and a professional chef, Seinfeld has developed a month's worth of meals for kids of all ages that includes, for

Where To Download

example, pureed cauliflower in mac and cheese, and kale in spaghetti and meatballs. She also provides revealing and humorous personal anecdotes, tear-out shopping guides to help parents zoom through the supermarket, and tips on how to deal with

Where To Download

the kid that "must have" the latest sugar bomb cereal. But this book also contains much more than recipes and tips. By solving problems on a practical level for parents, Seinfeld addresses the big picture issues that surround childhood obesity and its long-term (and

Where To Download

ruinous) effects on the body. With the help of a prominent nutritionist, her book provides parents with an arsenal of information related to kids' nutrition so parents understand why it's important to throw in a little avocado puree into their quesadillas. She discusses the critical

Where To Download

importance of
portion size, and the
specific elements kids
simply must have (as
opposed to adults) in
order to flourish now
and in the future:
protein, calcium,
vitamins, and Omega

Bestselling author Eric Jerome Dickey's creations “ have enough sultry self-confidence to suggest, at their best, a Prince song on paper ” (The New York Times). Now, he

Where To Download

puts a twist on the love triangle in this sexy, searing, and wise novel. Nicole made a bold move by dumping her fiance at the altar. From there, she's built a successful career, relocated north to Oakland, and fallen in love all over again—this time with a woman. But

Where To Download

Nicole's still not entirely happy. Don't get her wrong—she likes what she has. It's just that she misses what she had. The question is, can she have it all? As she brings her ex back into her life and tests the boundaries between lovers, you'd better believe that the anger,

Where To Download

jealousy, excitement, and passion of this triangle are going to run hot.... Nicole is playing with fire, not to mention the feelings of the two people who love her most in the world. How these three fascinating people handle this unusual and complex relationship makes

to stay free. He 'll
manipulate all the ink
in the library books to
do his bidding, he 'll
murder in the stacks,
and he 'll bleed into
every inch of Tess 's
life until his freedom
is permanent. Forced
to work together,
Tess and Eliot have to
find a way to re-trap
the devil before he
kills everyone they
