Mila 18 by Leon Uris: Amazon.co.uk: Leon Uris: Books

Mila 18 is a breathtaking account of the Warsaw ghetto uprising, by the Jewish population of Warsaw, against the plans of the Nazi regime to exterminate them. It is a great epic from the pen of one of the greatest novelists of the 20th century, Leon Uris.

Mila 18 by Leon Uris - Goodreads

Mila 18 by Leon Uris is first and foremost a story about the human spirit's triumph over oppression. And although almost every protagonist dies at the end (almost...not all), the message is clear: simply by fighting tyranny, the oppressed win. As a historical fiction, Mila 18 is deadly accurate.

Uris's Mila 18, named for the underground bunker where the Jewish resistance fighters had their headquarters, was published in 1961 and became a bestseller. The author's 1958 novel Exodus was...

Harvey Weinstein to adapt 'Mila 18' as film - The ...

'Mila 18' is viscerally close to home. Having recently read a survivor's non-fiction memoir, I had to remind myself that the novel's leading characters are merely the creations of the author, so well and memorably are they depicted. But I know Leon Uris did that side of his research well; they very much had their real-life counterparts, such as the young commander who wedged himself into a ...

Writer Gideon Zadok leaves the glitter of Hollywood for the newly created State of Israel, where he learns much about himself and love on a dangerous military operation he covers as a war correspondent.

From the acclaimed author who enthralled the world with Exodus, Battle Cry, QB VII, Topaz, and other beloved classics of twentieth-century fiction comes a sweeping and powerful

epic adventure that captures the "terrible beauty" of Ireland during its long and bloody struggle for freedom. It is the electrifying story of an idealistic young Catholic rebel and the valiant and beautiful Protestant girl who defied her heritage to join his cause. It is a tale of love and danger, of triumph at an unthinkable cost -- a magnificent portrait of a people divided by class, faith, and prejudice -- an unforgettable saga of the fires that devastated a majestic land . . . and the unquenchable flames that burn in the human heart.

The first biography of the massively popular author of Exodus and Trinity, who "was as feisty as any of his fictional creations" (Publishers Weekly). As the #1 New York Times–bestselling author of Exodus, Mila 18, QB VII, and Trinity, Leon Uris blazed a path to celebrity with books that readers couldn't put down. Uris's thirteen novels sold millions of copies, appeared in fifty languages, and were adapted into equally successful movies and TV miniseries. Few writers equaled his fame in the mid-twentieth century. His success fueled the rise of mass-market paperbacks, movie tie-ins, and author tours. Beloved by the public, Uris was, not surprisingly, dismissed by literary critics. Until now, his own life—as full of drama as his fiction—has never been the subject of a book. Now Ira Nadel traces Uris from his disruptive youth to his life-changing experiences as a marine in World War II. These experiences, coupled with Uris's embrace of his Judaism and desire to write, led to his unprecedented success and the lavish excesses of a career as a best-selling author. Nadel reveals that Uris lived the adventures he described, including his war experiences in the Pacific (Battle Cry), life-threatening travels in Israel (Exodus), visit to Communist Poland (Mila 18), libel trial in Britain (QB VII), and dangerous sojourn in fractious Northern Ireland and the Irish Republic (Trinity). Nadel also demonstrates that Uris's talent for writing action-packed yet thoroughly researched novels meshed perfectly with the public's desire to revisit and understand the tumultuous events of recent history—making him far more popular (and wealthier) than more literary authors—while paving the way for future blockbuster writers such as Irving Wallace and Tom Clancy.

Examines the tragic history of the Middle East in an epic tale that recreates the turbulent era from World War I to the early decades of the existence of the state of Israel

A God in Ruins Spanning the decades from World War II to the 2008 presidential campaign, A God in Ruins is the riveting story of Quinn Patrick O'Connell, an honest, principled, and courageous man on the brink of becoming the second Irish Catholic President of the United States. But Quinn is a man with an explosive secret that can shatter his political ambitions, threaten his life, and tear the country apart—a secret buried for over a half century—that even he does not know...

On the eve of Passover, April 19, 1943, Jews in the Warsaw Ghetto staged a now legendary revolt against their Nazi oppressors. Since that day, the deprivation and despair of life in the ghetto and the dramatic uprising of its inhabitants have captured the American cultural imagination. The Warsaw Ghetto in American Art and Culture looks at how this place and its story have been remembered in fine art, film, television, radio, theater, fiction, poetry, and comics. Samantha Baskind explores seventy years' worth of artistic representations of the ghetto and revolt to understand why they became and remain touchstones in the American mind. Her study includes iconic works such as Leon Uris's best-selling novel Mila 18, Roman Polanski's Academy Award-winning film The Pianist, and Rod Serling's teleplay In the Presence of Mine Enemies, as well as accounts in the American Jewish Yearbook and the New York Times, the art of Samuel Bak and Arthur Szyk, and the poetry of Yala Korwin and Charles Reznikoff. In probing these works, Baskind pursues key questions of Jewish identity: What links artistic representations of the ghetto to the Jewish diaspora? How is art politicized or depoliticized? Why have Americans made such a strong cultural claim on the uprising? Vibrantly illustrated and vividly told, The Warsaw Ghetto in American Art and Culture shows the importance of the ghetto as a site of memory and creative struggle and reveals how this seminal event and locale served as a staging ground for the forging of Jewish American identity.

Fifty years after his first novel, Battle Cry, took the world by storm, Leon Uris returns to the topic that first inspired him to write books that captivate, educate, and thrill -- the Marine Corps. In the years following the Civil War, first-generation Irish-American Zachary O'Hara, son of a legendary Marine and a force of a man in his own right, finds himself playing a critical role in the very future of the Marines. If he can persuade the Secretary of the Navy that the Marines are more crucial than ever to America's safety and security -- all the while hefting a heavier secret weight in his heart -- he'll save the corps and make his career. But there's an obstacle in his path that this warrior had not planned on. Amanda Blanton Kerr, the daughter of a ruthless industrialist, is a woman on a mission of her own; passionate, obstinate, and whip-smart, she's an heiress poised to blaze a trail for her sex. O'Hara's Choice is the story of the inevitable collision of these two handsome, fighting spirits. Getting their souls' desire could jeopardize everything they -- and their parents before them -- scraped and struggled to achieve. Duty to country, love of family, and a tormented passion intertwine in this latest epic by Leon Uris, international bestselling author of such classics as Exodus, Trinity, and Battle Cry. A riveting, sweeping tale in inimitable Uris style, O'Hara's Choice is this master of the historical novel at his most brilliant.
