During the 17th and 18th century musicians' mobilities and migrations are essential for the European music history and the cultural exchange of music. Adopting viewpoints that reflect different methodological approaches and diversified research cultures, the book presents studies on central scopes, strategies and artistic outcomes of mobile and migratory musicians as well as on the transfer of music. By looking at elite and non-elite musicians and their everyday mobilities to major and minor centers of music production and practice, new biographical patterns and new stylistic paradigms in the European East, West and South emerge.

Compiled under the criteria: (1) statement of sources and faithfulness to them, (2) a true reflection of Indian cosmology, and (3) a written style that retains the spirit and poetry of the Indian's native manner of telling. Includes titles containing valuable introductory materials, bibliographies, motif indexes, and additional comparative notes, caters to storytellers, children's librarians, and researchers of children's literature.

First English translation of Paola Masino's *Nascita e morte della massaia*, her most controversial novel that provoked Fascist censorship for its critical portrayal of marriage and motherhood.

"The work of Giorgio Caproni has been translated into French, German, and Chinese, among others, but this collection is his first book-length English publication. His works are finely tuned to modern man's preoccupations with existence in a world deprived of certainties (for example, the existence or inexistence of God). Most are touched by experiences such as the Second World War and its atrocities, the Resistance Movement, or the death of loved ones, events that represent the conviction of a subject that will do its best to survive all adversity, uncompromised" -- from the Introduction by Pasquale

Verdicchio

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.
