A college senior takes Carrie Underwood's "Before He Cheats" a bit too literally in this smart, snappy new adult debut, the first in the Second Chances series, and finds herself sentenced to community service—where she meets a bad boy who might just be exactly what she needs. Avery Melrose is used to having it all. So when her boyfriend cheats on her, she reacts like any spoiled rich girl—she freaks out and vandalizes his new truck, Carrie Underwood style. Now she's stuck with 300 hours of community service to repent her sins, and dreading every minute. Seth Hunter just got out of prison, and after a few hundred hours picking up litter on the side of the highway, he can finally put his mistakes behind him. If he can string together some kind of existence, maybe it'll be enough to get his sister away from their stepfather, the man who sent Seth to prison in the first place. A romance between these two is doomed from the start. Girls like Avery want castles and white horses, but Seth is no prince charming. He's not even charming. He's pissed off, and he's got a chip on his shoulder big enough to sink the Titanic. Spending time with Avery makes Seth think he could make something of himself, maybe even be good enough for a girl like her. But when broken promises threaten to tear them apart, will they lose their chance at happily ever after?

Tess is burdened with a responsibility she's not quite sure she can handle, and Ryan is determined to save her from it—if she ever stops pushing him away—in this sexy follow-up to *Right Where You Are*, the first new adult novel in the captivating Second Chances series. Tess is a lot of things. Strong. Independent. Determined. Completely overwhelmed by the responsibilities of being her little brother's caretaker. But she can handle it. She has to. Because there's no way in hell she's letting anyone else raise Noah. Ryan's happy with a life on cruise control. He has no intention of tying himself down. That road only leads to heartbreak, a lesson he learned the hard way when he was fifteen. So why can't he stay away from the one woman who broke his heart? Tess knows exactly why Ryan keeps popping up right when she needs the most help: He's got a hero complex big enough to save Cinderella. But Tess isn't that girl, and she refuses to let him be part of her life. Not even when Noah takes a liking to him. Not even when they kind of, maybe, hook up. Not even when she starts to fall for him...

Dall'autrice del bestseller *Non tradirmi mai* Second Chance Series Il cuore trova sempre il modo per indicarci la strada... Tess è una ragazza testarda. Forte, indipendente, determinata. Completamente sopraffatta dalla responsabilità di dover crescere il fratellino. Ma può farcela. Deve farcela. Perché non lascerebbe a nessun altro il compito di occuparsi di Noah. Ryan è felice della sua vita spensierata. Non ha intenzione di farsi coinvolgere sentimentalmente, perché ha già vissuto una delusione d'amore e adesso che ha imparato la lezione non intende ripetere l'errore. È stata Tess a spezzargli il cuore, e ora il caso la mette sulla sua strada proprio quando lei ha più bisogno di aiuto. Ma Tess non è quel tipo di ragazza e non lo lascerà entrare nella sua vita. Neanche quando Noah comincia ad affezionarsi a lui. Neanche dopo aver trascorso una notte insieme. Neanche quando comincia a innamorarsi. «Tutti hanno bisogno di un eroe, e Ryan è proprio l'eroe perfetto per Tess. Caldamente consigliato a chi vuole leggere un romanzo dolce, sensuale e sentimentale.» L.E. Bross è lo pseudonimo che la scrittrice di romanzi young adult, Lee Bross, utilizza per la sua produzione new adult. Con la Newton Compton ha pubblicato *Non tradirmi mai*, primo volume della Second Chance Series. Dimmi che ti manco è il secondo capitolo della serie.

I made a huge mistake. No, not breaking into Panchard Enterprises, I did that on purpose. It was the getting caught part that changed everything. Instead of prison, Peter Panchard offers me a deal; steal something for him and he'll help me find my little sister. Now I'm at Neverly Prep wearing a uniform and trying to get close to Lucas Hook, the guy whose safe I need to crack. Did I mention the car and mansion and black card that goes along with this deal? Or the three boys so damned good looking it should be illegal? They are the Lost Boys and they definitely don't want me intruding into their lives. Something's going on and I'm sure it has to do with their missing mother, Wendi. Peter warns me to stay away from his boys, to do what I'm being paid for, but at every turn, the sparks fly between us. I have a job to do and a sister to find, and getting involved with three guys who are off limits is a bad idea. Especially when Hook is their enemy. But when has a little forbidden ever stopped me? I'm Ever Darlington and I've never been very good at following the rules. Guilt, betrayal and lies make up *EVER LOST*, book 1 in the Lost Boys of Neverly Prep, a dark and dirty fast burn contemporary RH academy romance based loosely on the characters from Peter Pan. Book complete at 53,000 words. All the players are over 18 and there is a cliffhanger, but I promise it will be worth it!

Second Chance Series Bello, bellissimo, romantico, sexy e commovente! Avery Hartley è la classica brava ragazza ricca che si comporta sempre come gli altri si aspettano che faccia. Quando scopre che il suo ragazzo la tradisce però, perde la testa e gli distrugge la macchina. Viene così condannata a trecento ore di servizi sociali. Seth Hunter è appena uscito di prigione e deve concludere il suo percorso di riabilitazione lavorando come netturbino

prima di poter ricominciare da capo. Non chiede granché dalla vita e comunque per adesso la cosa che gli importa di più è proteggere sua sorella dal patrigno, l'uomo che lo ha fatto finire in prigione. Una storia d'amore tra Avery e Seth non è pensabile, sarebbe un disastro totale. Le ragazze come Avery vogliono castelli e cavalli bianchi, e Seth nei panni del principe azzurro non è davvero credibile. E poi è così arrabbiato con il mondo che a volte c'è da aver paura anche solo a stargli vicino. Ma quando Seth si ritrova a passare del tempo con Avery, piano piano comincia a pensare che forse anche lui ha la possibilità di cambiare, di aspirare a qualcosa di diverso da una vita fatta di rabbia e che, addirittura, gli piacerebbe provare a essere felice... «Seth è il ragazzo da tenere lontano e allo stesso tempo vicinissimo. Ho paura di essermi presa una sbandata... narrativa!» L.E. Bross è lo pseudonimo che la scrittrice di romanzi young adult Lee Bross utilizza per la sua produzione new adult. L.E. Bross vive nel Maine con il marito, i figli e molti piccoli animaletti pelosi.

I just keep making mistakes. It was supposed to be an easy job. Steal a timepiece from Hook and in exchange, find out where my little sister is. But the hero isn't always the hero and sometimes the bad guy is the person you least expect. Now I'm scrambling to get to Belle before she's gone forever, trying to repair the connection to my Lost Boys, dealing with a blackmailer, and oh, did I mention? I'm going to prom with Lucas Hook. I'm Ever Darlington and yeah, things just got even more complicated. Guilt, betrayal and lies continue in EVER FOUND, book 2 in the Lost Boys of Neverly Prep series, a dark and dirty fast build/medium burn contemporary RH academy romance based loosely on the characters from Peter Pan. Complete at 53,000 words. All the players are over 18 and there is another cliffhanger, but I promise it will be worth it!
