Intelligent laypeople will see the difference between
Kernberg and pop-psych books. It is especially useful
in understanding how a disturbed individual can go from
an intoxicating idealizing love to total devaluing.

Love Relations: Normality And Pathology:
Amazon.co.uk ...

Dr. Otto Kernberg, the internationally renowned
psychoanalytic theorist and clinician, here examines the
success and failure of sexual love in couples, from
adolescence to old age. Dr. Kernberg considers the two
partners' conscious and unconscious emotional
interactions and their unconsciously activated superego
interactions. He also suggests that they establish a
joint ego ideal as a couple ...

Malignant narcissism is a psychological syndrome comprising an extreme mix of narcissism, antisocial behavior, aggression, and sadism. Grandiose, and always ready to raise hostility levels, the malignant narcissist undermines families and organizations in which they are involved, and dehumanizes the people with whom they associate.. Malignant narcissism is a hypothetical, experimental ...
