Our Unscripted Story by L.A. Fiore is the story of Greyson and Alexis. This starts with watching Alexis go through her life from an early time jumping through different parts of her life. We see her meeting Greyson when he was the new kid in town. Go forward to her making of her life.

*Our Unscripted Story by L.A. Fiore - Goodreads*

Alexis and Greyson's story began when they were teens and even though they took their own paths, which separated them for a significant amount of time, they promised one another they would find their way back because a love like theirs was meant to last forever, so as their story unfolds, it's divided into three parts, and those parts show readers their lives as young adults, their individual lives as they work to achieve their dreams and goals, and the moments when their lives become ...
