First published in 1910, 'The Wendigo' is a horror short story by English author Algernon Blackwood. "A considerable number of hunting parties were out that year without finding so much as a fresh trail; for the moose were uncommonly shy, and the various Nimrods returned to the bosoms of their respective families with the best excuses the facts of their imaginations could suggest. Dr. Cathcart, among others, came back without a trophy; but he brought instead the memory of an experience which he declares was worth all the bull moose that had ever been shot. But then Cathcart, of Aberdeen, was interested in other things besides moose-amongst them the vagaries of the human mind. This particular story, however, found no mention in his book on Collective Hallucination for the simple reason (so he confided once to a fellow colleague) that he himself played too intimate a part in it to form a competent judgment of the affair as a whole..." -Preface

“How? How did this happen to us? How did humans end up becoming savage barbarians?” I asked. “We took a wrong turn from an evolutionary perspective,” he replied. “Robots provided us shelter, fed us and clothed us. In the end, they domesticated humans.” *~* The Chicken’s Tale One day, Man came to the forest and set up a large coop with warm nests. The jungle fowl moved into the coop, where it was warm and cozy and food was always available. They were now completely domesticated and idle. They did not need to gather food, build nests or help raise their chicks. They decided that they ought to create a new society - one where they did not need families and where they could mate as they pleased. However, back in the wild, the roosters that remained exhibited monogamy built nests and helped protect their hens while they hatched their eggs. As generations passed, the domesticated roosters turned very violent. They had no responsibilities. Free food and shelter made such skills, as those exhibited by the wild roosters, redundant. They constantly fought with each other for mating rights, as that was the only concern in their lives. Earlier, the roosters rarely fought. Now, they spent their waking hours fighting for sexual dominance. The food and shelter were
