recovery of function following injury to the nervous system.

This volume contains detailed, step-by-step instructions for converting a VW Transporter van or bus to a Camper. It gives advice on how to choose the best van for your needs and prepare it - how to plan the layout and choose fittings, how to fit an elevating roof, how to cut panels and fit utilities.

Covers Van 800, 1000, 1200; Caravelle CL & GL; bus long & short wheelbase, powered by 1.9L, 2.4L, & 2.5L TDI diesel engines.

The complete practical guide to modifying VW Bus (Transporter) T1 to T5 suspension, brakes and chassis for maximum performance. Contains essential information on using aftermarket parts and interchangeable parts from other production vehicles to achieve great handling (and a lower stance if required). This edition includes many new photographs and archive pictures plus an additional 16 pages of information.
